Drishyak — See-Through-Fog

Restores EO/IR clarity in fog, haze, smoke — up to **2× detection range**, day/night, edge-GPU ready.

Book Demo

Drishtivyom — Sky Vision

Real-time aerial detection & recognition; integrates with EO/IR gimbals & UAS feeds for mission visibility.

Book Demo

Paratrooper Locator System

GNSS-denied tracking for air-dropped loads using vision & sensor fusion — reliable in border/no-network zones.

Book Demo

Blood Report Intelligence

Parses CBC/LFT/KFT, flags anomalies, clinician/patient summaries; EHR export. *Decision support.*

Book Demo

CardioSight — Heart Risk Insights

Combines vitals, labs & ECG (where available) to surface risk signals and lifestyle prompts. *Decision support.*

Book Demo

NeuroScan — Brain Tumor Detection

AI-assisted MRI/CT segmentation for tumors/lesions; clinician-in-the-loop workflows; audit trails. *Decision support.*

Book Demo

ScriptSense — Complex Handwriting OCR

Recognizes cursive & mixed-language forms; boosts digitization accuracy up to **99.5%** on scanned docs.

Book Demo

Digitize360 — Multilingual OCR+NER

Enterprise document digitization up to **99.5%** accuracy across languages; accelerates TAT.

Book Demo

**InternTracker —
Experience-to-
Placement System**

Turn tasks into **verifiable experience**: scoped briefs, deadlines, mentor reviews, and a **10-project portfolio** recruiters can't ignore.

[Book Demo](#)

**Transform — Skill
Demand & Candidate
Mapping**

Mine jobs/tenders to expose **in-demand skills**, map candidates, prescribe training paths, and produce **ready-to-hire shortlists**.

[Book Demo](#)

**AI Firewall (NGFW) —
Autonomous Threat
Defense**

L7 inspection + ML anomaly detection to stop phishing/C2 in real time—**SOC-ready logs** and **audit evidence packs** included.

[Book Demo](#)

**DataLabel Studio —
Annotation & Labelling**
Human-in-the-loop QC for **high-accuracy**

text/image/video labels; role-based reviews, export to COCO/YOLO/JSON—**audit trails** built-in.

[Book Demo](#)

**DR Protocol — Backup &
Failover Orchestrator**

Policy backups, replication, and one-click **DR drills** with verifiable **RPO/RTO** and exportable **acceptance reports**.

[Book Demo](#)

**AI Compute Facility
Development**

Design & deploy on-prem/edge AI clusters (GPU/CPU); secure MLOps; cost-optimized pipelines; procurement docs.

[Book Demo](#)

**Android Integrity &
Patching Platform**

AI checks OS patch compliance & integrity drift; correlates anomalies; produces audit-ready security reports.

[Book Demo](#)

**Day Trade Insight —
Open Interest Signals**

Signals from OI & sentiment; backtests & risk controls; aims up to **9/10** win ratio. *Market risk applies.*

[Book Demo](#)

**CreditSaksham —
Credit Exposure Engine**
Empower your decisions with **AI-driven BG Exposure Modelling, Credit Risk Scoring**, and **Policy-Aligned Recommendations**

[Book Demo](#)

**SwingSense — Golf
Pose Coach**

Real-time pose estimation with pro-grade cues to improve shot accuracy — phone camera compatible.

What You'll Get

Elite Mentorship

Employer-Ready
Portfolio

Certificates & Proof

Faster Time-to-Value

Partner Ecosystem

💡 We cut fluff. You get results you can show to recruiters and stakeholders.

Real People. Real Wins.

Internship

"The portfolio-first plan worked. I shipped **3 projects**, got **2 interviews in 3 weeks**, and could defend every line of code."

— Rohan, B.Tech → Data Analyst Intern

Internship

"Blue/Red-team drills + Wazuh labs = confidence. My final review turned into a **SOC analyst offer.**"

— Sneha, SOC Analyst (Fresher)

Course

"Evening Full-Stack track fit my job. In **8 weeks** I launched a live app and had **recruiter callbacks** the same month."

— Karan, Software Engineer

Course

"The AI/ML pathway was zero fluff—Python → SQL → models → dashboard. My **mock interview stories** finally clicked."

— Meera, Data Science Trainee

Placement

"Career scripts + portfolio review did the trick. **3 shortlists, 1 offer in 6 weeks**—no cold applying."

— Priya, Data Analyst

Placement

"From non-CS to Cloud Support. The LinkedIn checklist 5×'d my inbound and the mentor prep sealed the **final round.**"

— Abhishek, Cloud Associate

Results vary by effort and market conditions. We provide mentorship, projects, and tools that increase your odds.
